NOTE TO DONORS: Funds may not be given to agencies without verifiable Internal Revenue Code Section 501(c)(3) non-profit status, to religious institutions, those that exist solely for political purposes, or those that practice unlawful discrimination. Specific gifts not meeting these criteria and gifts of less than \$50 will be automatically redirected to United Way Community Care. United Way fundraising and administrative fees are 21%. IRS regulations strictly dictate that donated funds may not be used to pay a pre-existing legally binding pledge, or for anything providing a direct benefit to the donor. This form alone is not sufficient IRS documentation without proof of payment. For payroll deduction donors, a year-end pay stub or employer-issued W-2 is also required.
