

Brief summary of benefits for the Health Insurance options effective April 1, 2016 - ACTIVE EMPLOYEES

This is only a BRIEF SUMMARY	KeyCare 10 PPO Plan (Anthem BCBS)	HealthKeepers POS 15 Plan (Anthem BCBS)	Optima Vantage 10/25 Plan (Optima Health)
It is very important that you review all of your enrollment materials for more specific details.	You and your dependents may access care from any PPO provider. The PPO network is extensive. See the provider directory. You may also access care from out-of-network providers, but you will pay 30% coinsurance after the calendar year out-of-network deductible.(1)	You and your dependents must obtain referrals from your Primary Care Physician (PCP) to seek care from in-network specialists (except routine annual OB/GYN exams, routine annual eye exams, and in event of emergency). You may also access care from out-of-network providers, but you will pay 30% coinsurance after the calendar year out-of-network deductible. (1)	You and your dependents may access care from any participating HMO network provider without obtaining a referral from your Primary Care Physician (PCP). You must use network providers except in emergency situations

(1) When services are rendered by a non-participating provider, you may be "balance billed" for charges above the Anthem KeyCare or HealthKeepers POS network negotiated reimbursement.

(2) Preventive care includes coverage for services meeting the requirements of federal and state law, including routine physical exams, annual gyn exams and pap smears, PSA tests, colorectal cancer tests, routine immunizations, screening colonoscopies, screening mammograms, and expanded women's preventive services.

(3) For a list of drugs and applicable tier, refer to the appropriate provider website (anthem.com or optimahealth.com). Generic substitution is required by both Anthem and Optima. Certain oral contraceptives are covered in full as required by ACA.
