

HEPMAD 16

15TH ANNIVERSARY

8th High-Energy Physics International Conference

Antananarivo - Madagascar (13-18 october 2016)

Scientific program

Perturbative and Non-Perturbative QCD
QCD at colliders and Proton Structure
Tau, Kaon and B decays, CP-violation
Hadrons Spectroscopy and Decays
Quark-gluon plasma
Precision Tests of the Standard Model
Higgs Boson properties
Physics Beyond the Standard Model
Astrophysics and Climatology
Sustainable Energies and Physics of Environment

Chairman of the organization

S. Narison
Laboratoire Univers et Particules
CNRS - Université de Montpellier - Montpellier - France

International committee

A. Di Giacomo (Pisa, IT)
U. Gastaldi (Ferrara, IT)
L. Lellouch (Marseille, FR)
M. Neubert (Mainz, DE)
A. Pich (Valencia, ES)
J.M Richard (Lyon, FR)
V.I Zakharov (Munich, DE)

Local organization

Hepmad Research Institute (iHEPMAD)
Association Gasy Miara-Mandroso (AGMM)

Contact address

S. Narison
Laboratoire Univers et Particules
Université de Montpellier
Case 070, Place Eugene Bataillon
34095 Montpellier Cedex
France
Tel : (00-33) 67 14 35 68

Email addresses
