

The Florida State University
Tallahassee, Florida 32306-4350
Physics Department

February 22nd, 2018

To JLab Registration/International Services,

This is to confirm that the Department of Physics, Florida State University (FSU), has approved the visit of Mr. Zulkaida Akbar, a graduate student at Florida State University, to Jefferson Lab for the period 2018/02/25 - 2018/03/04. Mr. Akbar is a member of the FSU Experimental Hadronic Physics group. The purpose of the visit is to take shifts at the CLAS experiment in Hall B.

With best regards,

A handwritten signature in blue ink that reads "Volker Crede".

Dr. Volker Crede
Professor of Physics
Florida State University
