

March 6th 2018

Dear CLAS Collaborator,

on behalf of the CLAS Speaker Committee I would like to bring to your attention a number of upcoming Conferences and Workshops, that are **calling for abstract** and which you may want to consider attending:

HYP 2018 - The 13th International Conference on Hypernuclear and Strange Particle Physics

Portsmouth VA - June 24-29, 2018

Abstract submission deadline: **March 16th 2018**

<https://www.jlab.org/conferences/hyp2018/>

Meson 2018 - 15th International Workshop on Meson Physics

Kraków, Poland 7th - 12th June 2018

Abstract submission deadline: **March 25th 2018**

<http://meson.if.uj.edu.pl/>

BEACH 2018 - XIII INTERNATIONAL CONFERENCE ON BEAUTY, CHARM AND HYPERON HADRONS

Peniche, Portugal - 17 to 23 of June 2018 -

Abstract submission deadline: **March 30th 2018**

<http://www.lip.pt/beach2018/>

FBB22 XXII International Conference on Few-Body Problems in Physics

CAEN, France – 8 to 12 of July 2018

Abstract submission deadline: **March 30th 2018**

<https://fb22-caen.sciencesconf.org/>

CIPANP 2018 - Thirteenth Conference on the Intersections of Particle and Nuclear Physics

Palm Springs, CA – May 29th – June 3rd 2018.

Abstract submission deadline: **April 20th 2018**

<http://cipanp18.berkeley.edu/>

XIIIth Quark Confinement and the Hadron Spectrum

Maynooth University, Ireland, 1-6 August 2018.

Abstract submission deadline: **June 1st 2018**

<https://indico.cern.ch/event/648004/>

If your abstract is accepted please **remember to submit an official request to the CSC** via the link:

<https://www.jlab.org/Hall-B/shifts/index.php?display=admin&task=speakers>

after you have logged in.

Best Regards,

Prof. Annalisa D'Angelo
For the CLAS Speakers Committee
