

May 22<sup>st</sup> 2018

Dear CLAS Collaborator,

on behalf of the CLAS Speaker Committee I would like to bring to your attention a number of upcoming Conferences and Workshops, that are **calling for abstract** and which you may want to consider attending:

**QCD 18 - 21st High-Energy Physics International Conference in Quantum**

**Montpellier, France** 2 – 6 July 2018-05-22

Abstract submission deadline: **May 28th 2018**

<http://www.lupm.univ-montp2.fr/users/qcd/qcd18/Welcome.html>

**SPIN-Praha-2018 - International Workshop on Spin Physics Experiments at NICA**

**Charles University – Prague, Czech Rep.** 9-13 July 2018

No published deadline

<http://indico.jinr.ru/conferenceDisplay.py?confId=501>

**XIIIth Quark Confinement and the Hadron Spectrum**

**Maynooth University, Ireland,** 1-6 August 2018.

Abstract submission deadline: **June 1st 2018**

<https://indico.cern.ch/event/648004/>

**SPIN 2018 23<sup>RD</sup> INTERNATIONAL SPIN SYMPOSIUM**

**Ferrara, Italy** 10-14 September 2018

Abstract submission deadline: **June 30th 2018**

<https://agenda.infn.it/conferenceDisplay.py?ovw=True&confId=12464>

**CPHI - International Conference on Correlations in Partonic and Hadronic Interactions**

**Yerevan, Armenia,** 24-28 September 2018

Abstract submission deadline: **July 1st 2018**

<http://www.yerphi.am/index.php/correlations-in-partonic-and-hadronic-interactions-2018>

**Photonuclear Reactions Gordon Research Conference**

**Holderness, NH,** August 5 - 10, 2018

Application still open.

<https://www.grc.org/photonuclear-reactions-conference/2018/>

**XXIV International Baldin Seminar on High Energy Physics Problems "Relativistic Nuclear Physics and Quantum Chromodynamics"**

**Dubna, Russia** 17 - 22 September, 2018

Abstract submission deadline: **August 31st 2018**

<http://relnp.jinr.ru/ishepp/>

**DNP - 5th Joint Meeting of the APS Division of Nuclear Physics and the Physical Society of Japan, Waikoloa, HI** 23-28 October 2018

Abstract submission deadline: **June 1st 2018**

<https://www.aps.org/units/dnp/meetings/meeting.cfm?name=HAW18>

**QNP2018 - 8th International Conference on Quarks and Nuclear Physics**

**Tzukuba, Japan 13-17 November 2018**

**Abstract submission deadline: June 30st 2018**

<http://www-conf.kek.jp/qnp2018/index.html>

Students and post-docs engaged in Jefferson Lab research projects may get advantage of the JSA initiatives fund program, <http://www.jsallc.org/IF/IFIndex.html>, which is aimed at helping young researchers present their results at national and international conferences and workshops.

The link:

[https://wiki.jlab.org/cugwiki/index.php/Junior\\_Scientist\\_Travel\\_Support](https://wiki.jlab.org/cugwiki/index.php/Junior_Scientist_Travel_Support), may be useful for the supervisors to submit a travel fund request for their students and post-doc.

If your abstract is accepted please **remember to submit an official request to the CSC** via the link:

<https://www.jlab.org/Hall-B/shifts/index.php?display=admin&task=speakers>

after you have logged in.

Best Regards,

Prof. Annalisa D'Angelo  
For the CLAS Speakers Committee
