Students and post-docs engaged in Jefferson Lab research projects may get advantage of the JSA initiatives fund program, <http://www.jsallc.org/IF/IFIndex.html>, which is aimed at helping young researchers present their results at national and international conferences and workshops.

The link:

https://wiki.jlab.org/cugwiki/index.php/Junior_Scientist_Travel_Support, may be useful for the supervisors to submit a travel fund request for their students and post-doc.

If your abstract is accepted please **remember to submit an official request to the CSC** via the link:

<https://www.jlab.org/Hall-B/shifts/index.php?display=admin&task=speakers>

after you have logged in.

Best Regards,

Prof. Annalisa D'Angelo
