

Postdoctoral Position in Theoretical Hadron Physics Instituto Superior Técnico, Lisbon, Portugal

The Hadron Physics Group of the *Centro de Física Teórica de Partículas* (Center for Theoretical Particle Physics) at the *Instituto Superior Técnico* of the Technical University of Lisbon, Portugal, invites applications for a two-year postdoctoral position. We seek a candidate to carry out research in theoretical hadron physics, in particular on the microscopic description of the nucleon and its excited states.

Applicants must have a Ph.D. in physics, and should have a strong background in hadron physics, with expertise in the numerical techniques required to perform calculations of the structure of hadrons and their interactions.

To apply for the position, please submit a CV (including a list of publications), a letter of research interest, and include or arrange for three letters of reference to be sent to

Prof. Maria Teresa Peña Stadler
Instituto Superior Técnico – Centro de Física Teórica de Partículas
Av. Rovisco Pais
1049-001 Lisboa
Portugal

Fax: +351 218419143

Electronic submissions should be sent to: teresa.pena@ist.utl.pt

The deadline for applications is May 13, 2011.
