

X LATIN AMERICAN SYMPOSIUM ON NUCLEAR PHYSICS AND APPLICATIONS, DECEMBER 1-6, 2013, MONTEVIDEO, URUGUAY

FIRST CIRCULAR

We are pleased to announce the

**X Latin American Symposium
on Nuclear Physics and Applications
(X-LASNPA)**

to be held in

**Montevideo, Uruguay
December 1-6, 2013**

The symposium is organized by the Instituto de Física, Facultad de Ciencias and Instituto de Física, Facultad de Ingeniería of the Universidad de la República, Montevideo, by the Jefferson National Laboratory, Virginia, and by the National Superconducting Cyclotron Laboratory, Michigan. The symposium will be preceded by a School of Medical Physics, on November 29-30, 2013 for which information is provided on a separate circular.

The symposium will officially start in the evening of Sunday December 1st and will end in the afternoon of Friday December 6, 2013.

We look forward welcoming you in Montevideo.
On behalf of the X-LASNPA organizers,

Raúl Donangelo, *Co-chair*
Gabriel González-Sprinberg, *Co-chair*

BACKGROUND

This is the tenth symposium in a series of events which were previously held in Venezuela, Colombia, Mexico, Brazil, Argentina, Peru, Chile and Ecuador. Traditionally, the purpose of these symposia is the dissemination of major theoretical and experimental advances in nuclear science, with emphasis on research topics carried out by Latin American groups or in collaborations involving institutions from Latin America.

TOPICS

The scientific program of the symposium will cover the following topics

- Nuclear and Hadron Structure and Interactions
- Nuclear Reactions and Phases of Nuclear Matter
- Nuclear and Particle Astrophysics
- Tests of Fundamental Symmetries and Properties of Neutrinos
- Nuclear Applications
- New Facilities and Instrumentation

GENERAL INFORMATION

The symposium will consist of plenary sessions in the morning, including invited presentations, and of parallel sessions in the afternoon. Poster sessions will also be organized.

LANGUAGE

The working language of the symposium is English. All oral talks and poster presentations are to be given in English.

VENUE

The symposium will take place at the "Jose Luis Massera" building which is adjacent to the Facultad de Ingeniería, Av. Julio Herrera y Reissig 565, Montevideo 11300. This is located in the southernmost part of Montevideo, between the Parque Rodó and the Punta Carretas Golf Club.

REGISTRATION, FEES and ABSTRACTS

The registration fees for the symposium, the instructions for their payment, the call for abstracts and the instructions for abstract submissions will be communicated in the second circular and will be posted in the symposium web site.

PRACTICAL INFORMATION

Information about travel, transport and accommodation will be provided in the second circular and in the symposium web site. In particular, the reservation for hotel accommodation is to be made directly by the participants.
