## SECOND CIRCULAR

The 26<sup>th</sup> International Nuclear Physics Conference (INPC2016) will be held from 11-16 September, 2016 at the Adelaide Convention Centre in Adelaide, Australia.

Conference website address is [www.inpc2016.com](http://www.inpc2016.com) and Conference email address is [inpc2016@arinex.com.au](mailto:inpc2016@arinex.com.au)

**Registration Open – 21<sup>st</sup> March**  
**Abstract Submission Open – 21<sup>st</sup> March**  
**Student Support Opening – 21<sup>st</sup> March**

### Scientific Program

The scientific program will include the following options:

Nuclear Structure  
Nuclear Reactions  
Nuclear Astrophysics  
QCD: Hadron Structure and Spectroscopy  
QCD: Partonic phenomena  
Hot and Dense Nuclear Matter  
Fundamental Symmetries and Interactions in Nuclei  
New Facilities and Instrumentation  
Applied Nuclear Physics  
Nuclear Physics in Medicine  
Neutrinos and Nuclei

### Conference Venue

The INPC2016 will take place in Adelaide, a beautiful city surrounded by fascinating scenery and outstanding wine growing regions. The scientific sessions will be held within the Adelaide Convention Centre located off North Terrace and is situated with most of the

State's major institutions on North Terrace and overlooks the River Torrens. All hotels on the INPC2016 website are within easy walking distance to the Adelaide Convention Centre.

## **Exhibition**

An exhibition area will be hosted in close proximity to the lecture halls for the duration of the Conference and will provide outstanding opportunities to exhibit products to a sophisticated international audience (contact Arinex by email at [sponsorship@arinex.com.au](mailto:sponsorship@arinex.com.au)).

## **Invited Speakers**

To be announced soon.

## **Conference Language**

All abstracts and talks must be in English.

## **Conference Proceedings**

The refereed proceedings will be published primarily on-line, with details to be provided later.

## **Registration and Accommodation**

**The on-line registration will open on 21st March** with the fee set at AUD\$ equivalent of 600 Euros. This will include a conference bag and program, access to all sessions and the Welcome Reception on Sunday afternoon (~ 4.30 pm – 6.00 pm), catering for poster sessions, all tea and coffee breaks and lunches and an excursion on the Wednesday afternoon.

This fee will increase **for late registrations after 26<sup>th</sup> April, 2016.**

The preferred method of payment is by credit card.

The website will also have links to recommended hotels. You are strongly encouraged to use the links provided to make your accommodation booking.

There will be an accompanying person fee of AUD\$100, which will include the Welcome Reception and the excursion, which includes a packed lunch.

## **Student Registration**

**We expect to provide support by waving the full registration cost for at least 50 students. In order to have the fee waived students must write to [inpc2016@adelaide.edu.au](mailto:inpc2016@adelaide.edu.au) with name, nationality, institution, supervisor details and academic program together with a letter from their supervisor. The Organising Committee will allocate a unique code to be used on the Registration form which will enable the fee waiver.**

A reduced fee of the AUD\$ equivalent of 475 Euros will apply to any student for whom a waiver is not possible (once funds are exhausted).

## **Abstract Submission Information**

We encourage the submission of oral and poster contributions in the indicated scientific areas. Every endeavour will be made to offer an oral or poster presentation for all abstracts submitted by a registered participant.

## **Call for Abstracts**

On-line submission of abstracts opens on **21 March 2016** and is available until **29 April 2016** through the on-line abstract submission. The submitting author will be notified by **10 June 2016**, if the abstract has been selected for an Oral or Poster presentation. Abstracts will not be considered for presentation unless the presenting author has registered.

## **Abstract Preparation**

Upload maximum of 1 A4 page in 12pt Times New Roman font in PDF format only. Presenting author to be listed first. The abstract must be written in English.

Abstracts can only be submitted on-line through the on-line abstract submission form in PDF format. Abstracts that are emailed or faxed will not be accepted.

## **Abstract Topics and Presentation Type**

Authors are invited to select an abstract topic (one only) from the following list and to indicate their preferred presentation type, Oral or Poster.

- Nuclear Structure
- Nuclear Reactions
- Nuclear Astrophysics
- QCD: Hadron Structure and Spectroscopy
- QCD: Partonic Phenomena
- Hot and Dense Nuclear Matter
- Fundamental Symmetries and Interactions in Nuclei
- New Facilities and Instrumentation
- Applied Nuclear Physics
- Nuclear Physics in Medicine
- Neutrinos and Nuclei

## **Social Program and Conference Dinner**

There will be a Welcome Reception on Sunday 11<sup>th</sup> September from 4.30 pm to 6.00 pm in the Convention Centre (near the Registration Desk).

There will be two Poster Sessions held during the Conference with light refreshments.

In addition there will be a choice of excursions on Wednesday afternoon (14<sup>th</sup> September) and (at a small cost to delegates) the Conference Dinner will be held at the Adelaide Oval on Thursday evening (15<sup>th</sup> September).

## **Letters of invitation and Visa requirements**

For many countries (~ 65) visas may be obtained almost instantly on-line or through your travel agent. Please check with your travel agent ASAP.

Where a visa is required the Conference web page will have full details on how to obtain a letter of invitation. It will have a list of information that we can forward to authorities to ease the application process for delegates. You are urged to apply for a visa at least 3 - 4 months ahead of the Conference. Although in most cases (where an electronic visa or visa waiver is not available) it should take less than 2 – 3 months to obtain a visa.

## **Travel**

Adelaide airport has many flights per day with direct international connections on Qantas, Emirates, Singapore Airlines, Cathay Pacific. The airport is a 10 minute drive from the city and all recommended hotels. Taxis should cost approximately AUD\$25 (payment by either cash or credit card). There is also a regular bus service to the City and major Adelaide hotels. Tips are not expected in taxis and restaurants in Australia.
