

Electron-Ion Collider User Group Satellite Meeting

Adelaide Convention Centre, L2 Meeting Room (Plaza Level)
Monday, September 12 from 5:45 to 7:00 pm

During the International Conference on Nuclear Physics (INPC2016) in Adelaide the EIC Users Group, Brookhaven National Laboratory and Jefferson Lab jointly invite you for an EIC User Group Satellite Meeting. The goal is to update the worldwide EIC user group members and other interested nuclear scientists on the status of the Electron-Ion Collider within the United States. For more information on the EIC User Group, see www.eicug.org/web/

Agenda:

5:45-6:00 pm	Refreshments
6:00-6:20 pm	EIC Status, EIC Users Group and National Academy's Study
6:20-6:30 pm	Questions & Discussion
6:30-6:50 pm	View from the Laboratories
6:50-7:00 pm	Questions & Discussion
7:00 pm	Adjourn

Chair: Rolf Ent (JLab)

Abhay Deshpande
(Stony Brook University)
All
