

INTERNATIONAL
WORKSHOP
ON FUTURE LINEAR COLLIDERS

OCTOBER 22-26
UNIVERSITY OF TEXAS AT ARLINGTON

LCWS²⁰₁₈
ARLINGTON, TEXAS

YOU'RE INVITED

Registration is now open for The 2018 International Workshop on Future Linear Colliders (LCWS2018) to be held on October 22-26 on the campus of the University of Texas at Arlington, Texas, USA.

The workshop will be devoted to studies for a high energy linear electron-positron collider, taking into account the recent results from LHC, and to review the progress in the detector and accelerator designs for both ILC and CLIC projects.

The Welcome Reception is on Monday, October 22 at the University Center from 6:30 pm - 8:00 pm. There will also be a Banquet Dinner on Wednesday, October 24 at AT&T Stadium from 7:00 pm - 9:30 pm.

The conference early bird discount registration fee of \$425.00 is available until Tuesday, September 4, 2018. After September 4, the conference rate will increase to \$475.00.

Guests are welcome to attend at an additional cost of \$125 (solely includes social events and not conference sessions)

We hope you can join us for this important conference that will take place at a critical time for the future of our projects! To learn more, please visit the conference website: <http://www.uta.edu/physics/lcws18>

Those who wish to RSVP for the event and make payment at a later date, may do so during registration:

REGISTER NOW

Instructions for those who would like to RSVP and make payment by October 8, 2018:

- Click to register, select "RSVP and Make Payment Later" option on the payment page and click "Next"
- You will receive a confirmation number to the email address you have provided
- Once you are ready to make your payment, visit the website and click "Already Registered" to modify your registration. If you would like to add guests, you may do so on this step
- Enter your email address that you used during the initial registration (RSVP) as well as the confirmation number emailed to you in order to access your invoice to make payment
- Your receipt will be emailed to you upon completion
