

The 12th Workshop on Hadron Physics and Opportunities Worldwide Announcement

We are pleased to announce that the “12th Workshop on Hadron physics and Opportunities Worldwide” will take place on Aug 5-9, 2024 in Dalian, a beautiful coastal city in the Liaoning province of China. It will be hosted by the Dalian University of Technology. The main topics covered by the workshop will include Hadron Structure and QCD, Hadron Spectroscopy and Exotic States, Nuclear Medium Effects and Low Energy Tests of the Standard Model. The opportunities to enhance collaborations between Chinese and international hadron physics communities will also be discussed.

This workshop follows its series previously held in Tianjin (2019), Weihai (2018), Nanjing (2017), Wuhan (2016), Kunshan (2015), Lanzhou (2014), Huangshan (2013), Beijing (2012), Weihai (2011), Beijing (2010), and Lanzhou (2009).

Information about the workshop:

1. Time: **August 5th to August 9th, 2024 (Registration on August 4)**
2. Registration and venue: **International Finance Conference Hotel**
3. Registration Free: 2500 RMB or \$350 (regular);
