# WDTS Graduate School Virtual Fair

**July 18: 1-5 PM ET**

## **Connect with hundreds of our nation's top student researchers!**

Would you like to connect with the nation's most talented students who are participating in national laboratory research at Department of Energy National Labs? This virtual free Graduate School Fair allows you to connect with the brilliant interns. These motivated students are ready to build on their Laboratory Internship experience and advance their academic careers and professional development. Is your Graduate Program right for them?

## **Deadline to apply for your virtual booth is June 25th**

Apply to be a part of this opportunity! Additional details will be sent to selected institutions. This event is Administered by ORISE.

**CLICK TO APPLY TO PARTICIPATE!**
