

Moller TM0 Mapping Fixture Meeting

Date: September 12, 2025

Time: 13:30 – 14:30

Attendees: Pablo Campero, Brian Eng, Probir Ghoshal, Sandesh Gopinath, and Marc McMullen

1. Prototype design

McMullen

1. Marc gave a short presentation on the NX12 prototype mapping fixture design and showed a 3D print of the field measurement section of the prototype
2. The group discussed the design and the installation of the mapping fixture in the TM0 bore

2. Moving forward

All

1. The MOLLER group has enough information to provide an update on the progress of the mapping fixture using the current design
2. DSG will proceed with a print of the current design concept
