QUOTE #: 61578.1  
DATE QUOTED: 3/10/2020

**ISSUED BY: Jon Poliseo**  
**301-831-7550**  
**jonp@thermaldevices.com**

## Quotation

Please accept our proposal on the following:

### Products

Item	Qty	Part #	Unit	Description	Unit Price	Extended Price
1	1	PM6C1FJ-3AAAAAA	each	1/16 DIN PID CONTROLLER, UNIVERSAL INPUT	\$445.54	\$445.54
Estimated Ship Date: 5-7 Business Days ARO						
Total*:						\$445.54

\* Totals do NOT include sales tax unless specifically listed as a line item above.

### **Special Notes**

None

### **Payment Terms**

Credit Card or C.O.D. please allow 24 - 48 hours to set up new accounts. First time orders under \$300 are Credit Card or C.O.D. only

### **Freight Terms**

F.O.B. - Ship Point, Prepay & Add Freight Charges to Invoice

### **Quote Validity**

10 days or as indicated

**Tyler :**

**Thank you very much for the opportunity to quote on your requirements. If you have any questions or need the products sooner than the delivery time quoted, please contact me. Thanks again for the opportunity to be of service to JEFFERSON LABS!**

**Best Regards,**  
**Jon Poliseo**

invensys  
**EUROTHERM**

ABB Motor controls, circuit breakers, pilot devices, disconnect switches, power factor correction capacitors, sensors, soft starts, enclosed control, terminal blocks and timing relays

**Adalet** Explosion Proof and Stainless Steel Enclosures

**Allied Moulded Products** Non metallic electrical boxes and enclosures

**Athena Controls** Temperature controls and hot-runner plastics temperature controls

**Cal Controls** Temperature and process controls

**Chromalox** Industrial process heaters, heat trace cable, unit heaters and temperature controls

**Barber-Colman** Industrial instruments division— temperature and process controls for plastics processing

**Continental Industries** DIN-RAIL mount solid state relays and I/O modules

**Convectronics** High temperature air heaters

**Durex** Cast-in heaters, tubular heaters and cartridge heaters

**Eaton** Industrial Motor Controls, IEC and NEMA Rated, Variable Speed Drives, Circuit Breakers, Safety Switches, Sensors

**Elstein** Ceramic radiant heaters

**Eurotherm** Temperature and process controls, sensors, power controls, recorders and signal conditioning.

**Exergen** Non-contact infrared temperature measurement

**Fast Heat** Band heaters, cartridge heaters, strip heaters and other industrial process heaters

**Fenwal** Industrial bi-metal thermostats and electronic temperature controls

**Gefran** Melt pressure transducers and plastics processing controls and sensors

**Heatron** Cartridge and flexible heaters

**Magnecraft** Ice cube, general purpose, PCB, mercury and timing relays

**Micron** Control power transformers, encapsulated and enclosed, buck/boost transformers

**Motortronics** Variable frequency drives, solid state motor starters, medium voltage starters, soft starts, electronic brakes and custom motor control products.

**Nexthermal** Industrial heaters, including high watt density cartridge heaters

**Novus Automation** Process controls, data loggers, calibrators & transmitters

**Ogden** Industrial process heaters and temperature controls

**Ohio Semitronics Inc.** Watt, voltage and current transducers

**Partlow** Industrial temperature and process controls and recorders, paper & paperless chart recorders

**Phasetronics** SCR power controls for loads from 10 to 1000 amps— AC or DC

**Practical Instrument Electronics** Industrial Process Signal Calibrators – T/C, RTD, mA, Volts, Ohms, Frequency, and Pressure

**Precision Digital** Digital panel meters and indicators

**Process Technology/Lufran** Teflon coated immersion heaters for the plating industry, metal shell immersion heaters, DI water heaters, liquid level and temperature controls, complete heating systems

**Pyromation** Thermocouples, RTDs, transmitters, instruments and custom temperature sensor assemblies

**Raytek** Infrared, non-contact temperature sensors and hand-held products

**Saginaw** Metallic electrical enclosures, custom & standard electrical enclosures

**Schaefer's Electrical Enclosures** Mild steel, stainless and aluminum UL listed standard and custom electrical enclosures

**Stahlin** Non-Metallic enclosures

**SunX** Photo-electric controls

**Tempco** Industrial Process Heaters and Temperature Controls

**Time Mark Corporation** Voltage, phase, frequency and current monitors, timers, transformers, pump and liquid level controls

**Watlow** Industrial heaters, temperature controls, temperature sensors and solid state power control products

**W.E.G.** Industrial AC Motors and Motor Controls, Drives, Softstarts and IEC Control

**West Controls** Temperature and process controls and recorders for industrial applications

## Why Thermal Devices?

- "Live" People Answer Every Call
- Factory Trained Sales Engineers
- Industry Leading Manufacturers
- Immediate Response to All Quotes
- 50+ Years of Electrical Controls Sales
- Services Offered Include:  
Installation, Calibration & Repair
