

MEDCON4 APPROVED USER ACCESS LIST

EXPERIMENTAL NUCLEAR PHYSICS

Overview

This document is emerging and updates are being added daily. In general, these are the users that are approved for site access immediately. Those who are coming exclusively to work shifts will not be listed here, but are still required to submit a new registration form at the following address: <https://misportal.jlab.org/jlabAccess/>

Note: All new registrations for purposes other than taking shifts must be approved by the Associate Director of the Experimental Nuclear Physics Division.
